## From Nat

"Thank you to my lovely husband who supports everything I do 100%, my beautiful boys who love to hear me sing to them over and over, my parents who always have been there for me, and my parents-in-law who helped me become a real pro. Thanks Alan & Trish for the greatest management and thank you to Neil at ACCTV who listened to my dreams and then made them come true! Finally thank you Lord for this opportunity to reach little ones for you!"
